

WHAT TO BRING:

For those who've not had the experience of spring fishing in Ohio it can, and often is, an awesome experience. Please remember during this time of year the weather can change dramatically...and often times does; several times a day! Please pack for not only nice weather but nasty, snowy, sleety, freezing weather! Here's a typical list:

Rod: 7-8 weight 9-11'

Reel: Anything with a decent drag!

Line(s): Floating for indicators, sink tips or short belly speys

Flies: Eggs, shiners, and more shiners

Tippet: 4-10 lb Fluoro or Maxima

Waders: Your choice, if you wear breathables pack an extra layer!

Clothing: Layers for cold. Also bring a rain/snow/sleet jacket!!

Food: On the road or bring a cooler.

Misc: Stanley's Ice Off Paste, Fly Tying Gear, Cards, Cooler, Favorite Beverage!

REMINDER:

Remember, your old 2006 OHIO Fishing License EXPIRES on March 31st, so stop by one of the local shops and get a new one!

GUEST SPEAKER:

We will have a guest speaker Friday or Saturday evening (TBD). He will be giving a short talk about Ohio Steelheading followed by a Q & A session.

COST:

The price for this years outing is \$20.00 to cover the hospitality room for Fri & Sat nights and the pizza one night. You're responsible for hotel bills and food, ballpark price \$340 if you want a room to yourself. 2 to a room would be about \$220 +/-
